Div 1 Feature Request (FRQ)

1 Requested Feature

Enter a short description of the feature or functionality that you are requesting

1.1 Request Type

☐ New Product ☐ New Feature ☐ Upgrade/Add-on to Existing Feature ☐ Correction/Bug Fix

1.2 Relevant R&S Product or Product Option

Example: CMU200

2 Market Justification

Enter a detailed overview of the current market situation that has led to this request. Provide any customer or competitive history that may be useful. Market figures or statistics supporting the request may be helpful.

2.1 Requesting Customer

Enter the name of the customer organization(s) on behalf of whom this feature is being requested.

2.1.1 Required Implementation Timeframe

Enter the date by which the requested feature must be implemented in order to realize the market potential described in the FRQ. Please provide applicable notes.

Div 1 Feature Request (FRQ)

2.2 Market Potential

2.2.1 Targeted Market Segments

Check the segment(s) to which this feature can be sold in the future.

☐ R&D ☐ Production ☐ Service/Repair ☐ A&D

☐ Network Operators ☐ Other _____

2.2.2 Additional Customer Opportunity

Provide the names of other customers or markets who are known to have an interest in the requested feature.

2.2.3 Sales Revenue/Unit Impact

Provide expected revenue figures (in dollars) and number of units to be sold resulting from implementation of this feature. These figures should include any prevention of lost business. Please provide a timeframe over which the figures are applicable. The Product Manager will be primarily responsible for this, but inputs from the field are useful.

3 Technical Realization

3.1 Overview

Please provide any information that you have pertaining to the impact of this feature on the applicable product. Any information that could be useful in evaluation of the request by development is useful.
